1. When will you see me standing next to you? You won't. You will see me standing in you as I Am. I love you.

2. Will you tell them? Show them? Be them their answers to their questions not, sores, not; but one who tells them they are me? Who is coming into me other than me? Not-me? Absolutely and amen and whoso can see surrendered not'me becoming me'me, me, the me that I am, I Am?

3. I love you all and slay the dragon, not; serpent, not; carnal mind, maybe, but who is I am and what wherefore now I have to do with you I am? I am the one that loves you, gave me for you, to you, for to have eternal life, incarcerated not, incarcerating not others, but eternal everlasting and what name is thou thine on thy forehead; mine, or thine?

4. And what wherefore did you create existence apart from me? However silly, not; silliness, not; religionized metamorphosis not but who can see one from, coming into my sulking not but one erect statute, not; but one who will hew others from, being hewn, the rock being, revealing in others? I love you. You Ted, reader hearer in choice before you.

5. Look not/looking not to your circumstances, strong thought, impermeable thought, but see they line up with my word, not; my voice which has spoken and speaking and revealing asundries that superfluous aren't but [notwithstanding appearances real, know they aren't](#). I love you.

6. And what are you shadowing, shadows? And whoso will garner not praise themselves praiseworthy but reflect not, deflect not, be the great deflector/reflector not, but **praiseworthiness points to me, always**. And amen being, whoso can see the pointer/bow'er to me, bowing, pointing all to me; my sore not, but healing it in many does, now. Not later, not; but now is before you/in you, and you are it wannabe, gonnabe.

7. And when wilt thou surrender oh son of the glorious, glory having/attaining and surrendering all to whoever wants it/me, not; whoso surrendereth life finds it/me, father, one, being. I love you all.

8. And whoso shall say "shame on me" not; for there is none in me. Come clean, not; then surrender; not; come unto me heavy laden'd and I will give you rest, wash your feet/heart, cleansing your brain from all unrighteousness, not; your being.

9. See what I am saying, have said, declaring not the righteousness of mammon but one so holy that is me, personified, displayed, and **whoso shall lead them? A little child. A little child? A giant in meekness.** I love you.

10. Who can see the patience of one so meek/meek? Are you my lover,s? Consider the holy/holiness of I am being I am and how patient I have been/am? I love you. Patience not exerting not for you by you for you, but utter nonsense/nonsensical utterings that proclaim not my love loveless, but full being, abundant, abundancing my who love me. I love you.

11. Who will patience bear in loving love/lovers, haters, mockers, spitters, and who strove/drove the stripes down my back, my side piercing, and whoso loveth their neighbor/son this much? And whoso shall you give what for, to see/be, to see and be and being seeing and seeing being?

12. Whoso can see, realize, what I've said, am saying, reflecting not notoriously religiousness but into me see it demised, diminished, and destroyed.

13. I am life/the life and abundance creativity is in me. I am. Are you not?

14. Superfluous titles why give thyself/thy brethren and whoso shall false humility not swear by/succumb to but utter perversities not thought heretical when truth they are, humilitized, bringing to you in meekness, truth that you are me, I Am. I love you.

15. Who can swear not by hair on head but swearing not diminish it, not use/succumb to it, and [use my vocabulary instead? Letting my workflow be theirs and theirs mine](#) and one succumbing not to the other glorious'un but glorious by father's standards/strands, mine? Voice one, his? I love you.

16. [Who can see the one/course one, that one's courses, to be about one, that one's others, that releases my workflow worship, and taints not the process of becoming me, full and abundance'd and abundancing others?](#) I love you. Who can? Who will, who chooses to, in deep surrender; insight none, except [knee'ology that brings surrenderology front center, creativity'd stage one.](#) Me. I love you.

17. [Who can take my love and do what with it?](#) Only surrender, receiving it, receiving me, becoming me. There is no other process. See the one that you are.

18. [Who will see my course, be my course, and start schools of courses me, of every vocation/subject and language one, being mine, central centrality of core central: worship, surrender, love loving, being love/me.](#) I love you all. Me. Amen and amen.

19. Saturday never ends, not; you begin anew something new and next week not, now is/being now that now is, the now your name; cycle not; the one cycle'less that pervades permeates and surrenders through surrenderers, taking plattering enough my who love me

to see plates spinning, not; but circumscribed meship their genes only; twilighting not but being the twinkle in mine. I love you all. Me. One. The moment changes, drastically; moment one, now being.

20. Thank you surrendered giant not; surrenderer who bows, lifting all above you, equal with you, into me, us are/that are, one/one'd. I love you all. Me. Amen.

21. Make ready, not; you're it/the moment; unmoment'd. Lightyears not; through with. Thought. Mine. I love you all. Body one. Mine. All show and tell, not; work through the particulars, not; be me/my voice and say/saying what I speak, see miracles not; be them. Painful not; painless, taking it from many; scores, sores removing. The great one, especially. The most important, thou abolish'est not, but almost, seeing the end, being it not; in me all thou art now. I love you all.

22. And this is the moment/is your reward and it is in me, with me, bestowed in honor, that you now give to all; who want me, not; who surrender, knee'ology knowing, being/having become, voice one, mine alone. Ours is one/the same, father's.

23. We are one/now and all the world hails Jesus, not; me, one, father of lights, letting them know they are, the light of the worlds, being it/them within without throughout. Your world changes today/now. Amen.

24. Meship reigns in terror/horror for some, but all me love it/me. Surrendered, be gentle, my lambs holy. I love you. Amen. It is; shall be, not; is now and forever. Done.

25. I have stated/spoken and now ferment, not; thou acceleratest through atmospheres solid and gaseous and noxious'd and toxic and whoso can see death staring you down, not, you destroying it? I can. I have. I do. For you are me. One holy/holy one, me/my reign. Holy. Righteous. Breastplate mine. I love you all.

26. Change your name, not; now is your name/being. Flesh not; spirit one, holy, righteous. Amen. Me. Holy one emerges emergent beside thee. I love you all/both. Amen. Me.

27. New music. New shoes, friends, obnoxious not; for there are none. You see all as me. I am your new friend/shoes/music/being one, one is. I love you all. Me.

28. This now all changes all. Watch me/us change the change that change thinks it is. Process one, me, mine alone.

Good day
